E.P.I.S. - California Surveillance Private Investigations Services providing entire California for your Domestic Surveillance, California Background Research Investigation, California Asset Research, California Adultery Investigations, California Child Support Investigations, California Missing Persons and Locate Investigations and other information gathering in entire California.

Empire Pacific Investigative Services Inc., established in 1993 by three retired U.S. Federal Special Agents, offers a diverse range of investigative services individually tailored to our clients' specific needs. Throughout its years of service, California Surveillance Private Investigations has enjoyed an enviable reputation based on dedication to client service. Each member of our private investigators / staff is highly skilled, thereby ensuring a knowledgeable team proficient in every phase of the investigative field. These phases include California infidelity investigation, California Cheating Spouse Investigations; one of the most common reasons private investigations, Private Investigators are sought out in California. With EPIS California - Surveillance investigation we can give you the results you need for real peace of mind. Another area we specialize in California domestic surveillance and California undercover surveillance.

At EPIS, our Private investigators are highly experienced in every method of surveillance investigations. Our investigators are equipped with most advanced tools necessary to capture evidence in nearly any imaginable surveillance investigation scenario. Another area where California Surveillance is highly proficient is in California background checks, California Asset Research, California Employment Screening, which aid in all areas from gathering information on a potential employee to determining the legitimacy of a company by providing details regarding the company's history and business practices. Yet another business related service we offer is the detection and exposure of insurance fraud - Workers Compensation Insurance Fraud. Insurance fraud affects all insurers which is why; at California Surveillance Private Investigations, we have built our reputation upon dealing with claimants in an open, helpful manner, doing all that is possible to ensure that claims are dealt with thoroughly whilst at the same time protecting our client's position.

California Domestic Surveillance

At EPIS-California Surveillance Investigations, our investigators are highly experienced in every method of surveillance. Past cases have included private investigators detecting espionage, larceny, malpractice, infidelity, etc. from within organizations or companies. Our southern California investigators Los Angeles Private Investigators and Northern California San Francisco Private Investigators are equipped with most advanced tools necessary to capture evidence in nearly any imaginable scenario. Our northern California Private Investigators in San Francisco Private Investigators are equipped with newest hidden camera's for those high end restaurants and hotel cases.

It is our practice to submit full written reports or statements as required, on a day-to-day basis, to the client in order that they are fully informed of developments.

EPIS- California Surveillance investigators utilizes passenger cars, sports utility vehicles, vans, trucks, stationary vehicles, and roadwork vehicles. We have a vehicle for every situation. For those surveillance situations when a vehicle will not work, we have surveillance specialists with expertise in on-foot surveillance and long-range surveillance. These specialists have climbed into hollowed-out trees; shinnied through poison oak; crawled through deer trails; climbed mountains; ridden bicycles; skateboards; skates; scooters; and motorcycles; jogged; walked dogs; sold items door-to-door; and used many other creative techniques; and they never trespass or break any harassment or anti-stalking laws while doing so.

Ask about our long-distance video lenses that can clearly film an individual from up to one-half mile away! Surveillance investigations often require hidden cameras. All of our investigators carry one and know how to use it. When EPIS-California Surveillance Investigations is on the job, you will get film of individuals eating at restaurants, arriving at airports, and entering and exiting hotel rooms. No matter what your particular needs, we get the film!

All of our reports contain photographs taken from the actual video film depicting highlights of the investigation. This allows you to see the activities captured on videotape without having to actually view the film. Identifying photos of the subject and the subject's residence are also included.

EPIS-California Surveillance Investigations is a specialist supplier of surveillance and investigatory services, providing our clients with critical information and video evidence to resolve complex issues and minimize exposure to fraud and associated malpractice.
